

Director of Operations

At Moore Transport our mission is to attract and retain customers by providing superior automotive transportation solutions. We are a manufacturer to dealer specialist. Currently we provide truck away services to Chrysler, Jeep, Ford, Fiat, Mercedes Benz, Toyota, Nissan, Infiniti, Volkswagen, Audi, Subaru, Tesla, Hyundai and Kia. At Moore Transport our focus is on delivering a superior level of service to each and every one of our clients.

We are seeking an experienced Director of Operations to lead our Terminal Operations. Ideal candidate will reside in one of three regions: Toledo, OH, Spring Hill, TN or Baltimore, MD, and have the flexibility to travel to our other locations.

Reporting to the CEO, this customer-facing role is responsible for leading multi-terminal operations, customer relations, safety standards, quality control, claims process, budgeting, vendor relations, training and management of terminal staff.

Principle Duties and Responsibilities:

1. Establish and maintain excellent working relationships with our customers, suppliers and employees.
2. Lead field operations staff including direct supervision of and performance leadership for Terminal Managers and Operations Supervisors.
3. Ensure all safety procedures are followed (DOT and OSHA regulations).
4. Partner with Safety, Quality, Maintenance and Human Resources to exceed customer standards.
5. Proactively manage efficiencies and profitability while meeting operational goals.
6. Communicate on equipment needs of all terminals to support growth.
7. Travel up to 50%.

Preferred Education and experience

- Bachelor's degree in Business, Operations Management, or related field required
- Five years of professional experience as an Operations Leadership role
- Industry experience in trucking, transportation, logistics, distribution and/or manufacturing

Preferred Knowledge & Skills

- Possess excellent communication and organizational skills
- Have strong professional presence and interpersonal skills
- Have a solid understanding of the transportation industry; car haul preferred
- Be proficient with Microsoft Office Suite, particularly Excel.
