

Senior Financial Analyst/Internal Auditor

At Moore Transport our mission is to attract and retain customers by providing superior automotive transportation solutions. We are a manufacturer to dealer specialist. Currently we provide truck away services to Chrysler, Jeep, Ford, Fiat, Mercedes Benz, Toyota, Nissan, Infiniti, Volkswagen, Audi, Subaru, Tesla, Hyundai and Kia. At Moore Transport our focus is on delivering a superior level of service to each and every one of our clients.

We are seeking an experienced Senior Financial Analyst/Internal Auditor at our operational headquarters in Toledo, Ohio. Reporting to the CFO, this position will assume responsibility for the preparation of weekly and monthly analytical reports distributed to both the finance department and operations, special purpose reports as required and materially participate in the RFQ process with respect to new and renewing business opportunities. The position will also perform various standard and spot audit procedures upon processes performed in the Company's operational and vehicle maintenance functions.

Job Responsibilities:

- Provide analytical, forecasting, reporting, and project support to senior management and mid-level operations management
- Produce monthly reports, which include detailed key metrics, financial results, and variance reporting
- Provide the annual and quarterly budgeting and forecasting processes
- Identify opportunities for performance improvement across the organization
- Maintain and develop models that help with decision-making
- Design and perform internal audit procedures upon issues arising from irregularities noted in operational reports and standard recurring internal audit procedures.
- Travel up to 25%.

Preferred Education and experience

- Bachelor's degree in Accounting, Finance, or related field required;
- CPA preferred
- Five years of professional experience as an accountant, analyst and/or auditor, or at least three years of professional experience as auditor in a public accounting firm.
- Industry experience in trucking, transportation, logistics, distribution and/or manufacturing

Preferred Knowledge & Skills

- Possess excellent organizational skills and attention to detail.
- Have strong analytical and problem-solving skills.
- Have a thorough understanding of generally accepted accounting principles (GAAP) and cost accounting applications.
- Possess a basic understanding of generally accepted auditing standards.
- Have a thorough understanding of methods of systems analysis in an industrial environment.
- Be proficient with Microsoft Office Suite, particularly Excel.
